→ → NEWS FROM AROUND

- * Sad for us but glad for him.... DAVID "Fudley" DIK will be among the absent next summer since he made the Westminster Choir and will be singing all over including 6 weeks in Italy during the summer. YEAH, FUD → → But we'll miss ya for sure. His address is:
WESTMINSTER CHOIR COLLEGE; 5 ERDMAN HALL, Box 430; PRINCETON, N.J. 08540.
- * All 4 of the new Counselors (JOHN, KAREN, PENNI & VICKI) will be w/ us next year!!!
FANTASTIC!!! Welcome to the newest "turkey lurkies!" 😊
- * FAWN is busy starting school and was working for a brief time in a law office... 😊
hope it suits HER for we'd hate to see her benched. And PETER is starting Student Teaching. Please send them both your thoughts and Energy...
- * MARY KAY's learning the fine ART of paper hanging as she & her roommate get their room ready. She also says PERRY's doin' well ("real cool") at Hart.

* FOR THE OLD TIMERS →→ KAREN EMENS is now Mrs. Steven Michael Fraleigh (as of Sept. 25th). The wedding was in Memphis but I don't know much more. I can't believe she didn't ask us to do the music... 😊

* KENNETH has called Dad and will be w/ us next year, as will GEORGE and SUE so things are falling into place....

* ARTHUR now has a crib all his own in his very own room -- It only took 2 weeks for TERRY to stop running in every 1/2 hr. to check on him!! (Boy will I get it for that one!)

* For those attending the NYSSMA Conference → we should get together! I'm not sure yet what one day I'll go down, but I'll let you know. TONY KADLECK made 1st Tmpt. in the Jazz Ens. and I'm sure many others will be there, too.

* T-SHIRTS are driving me CRAZY!!! If you ordered one AND PAID FOR IT but still don't have it by Nov. 1st → let me know and I'll "gladly" follow up on it. 😞

Third →→ THINGS HAVE BEEN SUPER BUSY AROUND HERE (Sorry I haven't gotten to you individually)

→ Dad & I met w/ HC Admin. and are VERY pleased w/ the way things ARE going. The relationship between the college & camp is excellent and they'RE TEACHING ME A lot about P.R., SALARIES, etc. Ah the joys of the NEW Camp Director.

→ My school program's well underway now. That and working 7 hrs./week as a teaching assistant at SUCO keep me hopping. I'm T.A.-ing for a counseling course (Communication & Interpersonal Skills in the Helping Professions) for a man who was my primary advisor for my Master's (which focused on counseling & Values Clarification in the classroom). HARRY is a 2nd or 3rd "generation" CARL ROGERS student and is willing to do some work with us next summer. (He's a retired therapist, teacher & workshop specialist and is excellent with this kind of thing...)

→ Aside from that, it's Soccer Season in "the Big O" so I'm really busy!

→ I may not get to you in November before Thanksgiving - But I hear some of you will be gathering in this neck-o'-the-woods. Since I'll be in and out of town, I may miss you, but do try to call if you want. I'll be giving thanks for the chance to work with you next year.... HAVE RESTFUL HOLIDAYS....
Remember: "Stay outa the woods → The squirrels ARE gathering nuts!" 😊

Hope this finds you well and musically productive! Take care and stay in touch,

Deb
😊

P.S. HAPPY HALLOWE'EN!! (How many dirty words can you make out of these letters??)
