DRESS CODE - DAILY

Please bring casual and dress wear for attending evening activities including concerts and weekend events. Shorts may be worn during the day for classes and rehearsals. If you plan to be here for the last session, we recommend you bring formal wear (Men, bring along your tuxedo or your best suit! Ladies, dig out your prom gown or a fancy dress!) for the final concert and final dance (August 4).

DRESS CODE - CONCERTS

For Men: White dress shirt, tie, jacket (optional), dark dress pants and dark dress shoes.

For Women: Solid black dress (no thin straps) OR white or black blouse (no thin strap tops), black skirt at least mid-calf length or black loose and flowing dress pants. Black dress shoes or dress sandals - no "flip-flops" allowed.

DRESS CODE - SOLO PERFORMERS

Same as group performers or any other suitable concert wear.

FESTIVAL BANK

Spending money is needed for books, additional private lessons, and incidentals such as laundry and snacks. In addition, some students visit the College Bookstore and purchase T-shirts, sweatshirts, and other personal items. Students are encouraged to deposit money in the Festival Bank rather than keep large amounts of cash in their rooms. A sum of \$50.00 to \$75.00 for each two-week session should be sufficient. Activities for which money may be

needed (movie night, pizza night, sundae night, etc.) are announced ahead of time, giving students ample time to make withdrawals. All banking transactions are done in the Main Office in Hays Hall. Banking hours will be between 9:00 AM to 11:00 AM weekdays only.

HEALTH PROGRAM

The health center is located in Hays Hall. We are staffed by a registered nurse and care is available 24 hours a day, 7 days a week. In case of illness or accident, students are required to report to their counselors, who will then get in touch with the Health Center.

IMPORTANT NOTE: Health forms must be received, reviewed, and approved by our health staff at least two weeks prior to registration. Students arriving with their health forms in hand will be sent to the nurse for clearance before registration. To avoid delay, please mail your form in ahead of time, or fax it to us at 1 (888) 632-3221.

HOTELS AND RESTAURANTS

Many fine hotels and restaurants are located in and near Oneonta. Parents should make their own reservations. Please refer to our website home page at www.nysmf.org for locations and names of hotels. NYSMF does not endorse any particular establishment. Reservations should be made well in advance due to the high volume of tourists in the summer.

INSTRUMENTS

Be sure to have the student's name and address on the instrument. Make a record of the serial number, name and description of your instrument. **Insure it, please.** If desired, a room will be provided for storage between rehearsals. Practicing may be done in individual dorm rooms or in any designated practice room. **Instruments must be in playable condition.** If a student's instrument is broken or damaged, The Festival will not be responsible for repair or replacement.

Students should bring folding music stands, mutes, valve oil, reeds, and pads needed, as well as copies of any chamber music, duets, or solos that they own and may wish to play. String players should be sure that their bows are in good condition. If necessary, bows should be rehaired before coming to the Festival. An extra bow (if available) and extra set of strings are good ideas.

INSTRUMENT RENTAL

We will be happy to accommodate requests for instrument rentals for \$50/week (\$100/week for double bass, harp, and tuba) if **PRIOR** arrangements are made. Most pianos and percussion equipment will be provided free of charge to those students who will use it as their primary instrument.

INSURANCE

Parents are advised to provide health insurance for their children attending the Festival. If students need to see a physician or go to Fox Hospital, charges will be made by the doctor and billed directly to the parents.

INTERNET SERVICE

Two internet options are available at NYSMF:

1. Free wifi in the main lounges of each dormitory, plus public computers for use by any NYSMF participant.
2. \$20 Premium access to the college's Red Dragon wifi and Ethernet network throughout campus. Guest licenses may be purchased in the NYSMF main office.

LOST KEYS

SUNY Oneonta College charges the Festival \$150 for each replacement key. This fee will be passed directly onto students whose keys are lost.

A fan (the residence halls are not air-conditioned), a music stand (if applicable), watch, and alarm clock are also good to have. Students are permitted to have a small TV, video game units, small refrigerator, radio/CD player/cassette player in their rooms. Decorative items, such as posters, small rugs, etc., are permitted.
